Subject : Drug testing for a pre-employment physical

Dear Colleague,

The person who is consulting you is undergoing an **e-Med Track pre-employment physical** in order to work for Schlumberger. He/she must undergo drug screening.

If local law permits, and with the employee's written consent, would you please be kind enough to test for the following drugs in this person's urine sample :

- Amphetamines
- Cannabinoids
- Cocaine
- Opiates

Please send the results of this drug screening to International SOS in Paris as soon as possible and in a confidential manner.

Thank you very much in advance for your cooperation.

Sincerely,
